SEE THE MOST ON A LAND & SEA VACATION

Because there's much more of Alaska to see beyond the shoreline, Princess® offers our signature Land & Sea Vacations. Discover Denali National Park, home to the tallest mountain in North America — 20,320-foot Denali — and Wrangell-St. Elias, America's largest national park. And see wildlife from eagles to moose to bears at home in the wild, often very near to your Princess Wilderness Lodge® or from your seat on a comfortable Princess rail car.

Princess is pleased to offer pre-paid meal packages for the land portion of the Alaska Land & Sea Vacations.

Direct-to-the-Wilderness, our exclusive rail service travels the Alaska countryside.

Over 20 Unique Options

Choose from more than 20 different Land & Sea Vacations, from those with more flexibility to deluxe escorted options.

Alaska's Top Two Attractions

Experience spectacular Glacier Bay National Park on the cruise portion of your vacation, and Denali National Park during your time on land.

Exclusive Rail Service

Direct-to-the-Wilderness® rail service, a Princess exclusive, takes you between your ship and a Denali-area lodge the very same day — for less time in transit and more time in Denali.

Princess Wilderness Lodges

Stay in Princess-owned lodges near Alaska's top wilderness destinations — Denali National Park, Wrangell-St. Elias National Park and on the Kenai Peninsula, near Kenai Fjords National Park.

DENALI EXPLORER

It's our most popular Alaska Land & Sea Vacation — Denali Explorer. And it offers a variety of options to match your interests and schedule. Enjoy a 7-day Voyage of the Glaciers cruise with 3 to 6 nights on land, including up to 4 nights in our Denali-area lodges. All itineraries feature a Natural History Tour into Denali National Park.

Look for the Direct-to-the-Wilderness® rail symbol for itineraries featuring this exclusive service between our ships and lodges.

▲ Connecting staterooms

■ Will accommodate a rollaway

Note: Some areas of the ship are not accessible to wheelchairs and scooters.

Distances shown are from the bow (forward) or stern (aft) to the nearest stateroom.

Most interior stateroom entrances face the starboard side of the ship. Stateroom views are considered unobstructed unless noted otherwise. Obstructions do not include certain nautical items like handrails, dividers or ship hardware. For balcony staterooms, the view is determined from the perspective of the balcony railing. Balconies may have either solid steel or toughened glass railing.
