# Summer Caribbean

## *Two departure ports, one incredible summer*

This summer, for the first time ever, sail to all regions of the Caribbean with Princess. Cruise from Ft. Lauderdale or, new this year, Port Canaveral! With two departure ports, Princess makes sailing the Caribbean easier than ever! Summer lovers, the Caribbean was made for you: enjoy the pristine beaches, swaying palm trees and crystal-clear waters. It promises to be a summer to remember aboard Princess.

## *All of the Caribbean, all from Ft. Lauderdale*

This summer, Princess is offering roundtrip sailings to all regions of the Caribbean right from Ft. Lauderdale. Choose a 7-day cruise to the Eastern or Western Caribbean. Or (back by popular demand) the 8- or 10-day Southern Caribbean. This fan favorite has you island hopping the famous ABC islands of Aruba, Bonaire and Curaçao on a single vacation. There's even a 10-day Southern Caribbean cruise that whisks you to six different islands! Want a longer summer vacation? Princess will take you to multiple Caribbean regions on a 14- or 20-day combination cruise. You've got so many summer options for easy island fun with Princess, conveniently sailing from Ft. Lauderdale.

## *Just added: Port Canaveral*

Princess now offers summer sailings to the Caribbean right from Port Canaveral (Orlando). Sail to the Eastern or Western Caribbean on a 7-day cruise. Or see both on a 14-day combination cruise! Adventure and relaxation await in the Caribbean. And now with Port Canaveral departures, Princess has opened up a world of options to island lovers!

## *Princess Cays®: relaxation defined*

Princess' private island resort is your place to relax, explore and play. Bask on your own Caribbean beach or rent a colorful bungalow. Beyond the pristine beaches, you can shop a lively marketplace teeming with Bahamian keepsakes. Princess Cays® also offers some of the best snorkeling around. And with plenty of watersport rentals, you can easily dive into adventure – and crystal-clear water. Just bring your Medallion® device. The entire island is Medallion-enabled (enjoy the Wi-Fi) and even your drink packages carry over!

## *Day and night, do the islands right*

With Princess' More Ashore calls (9 p.m. or later departures) in Aruba and Curaçao, your cruise to these popular islands lets you enjoy both the sun-kissed days and the vibrant nightlife. Go kayaking or catamaran sailing in Aruba or snorkel amid Curaçao's infinite natural beauty. And when the sun goes down, dive into the vibrant cultures of these Southern Caribbean gems. Stroll local street fairs, take in live music, even enjoy an al fresco dinner on the beach. With Princess, you'll have plenty of time to get back to your ship.
