Port Details

Princess ships generally berth at Pier 2/Terminal 2 in Port Everglades, which is located in the Northport section. This facility is used for both embarkation and disembarkation. Luggage collection, check-in, and immigration and customs inspections are all conducted on the ground level. The second level provides seating for passengers who have been checked in and are waiting to board. Elevators, telephones, and restrooms are available for passenger use. Shopping and restaurants are approximately 1-2 miles from the pier. On days when multiple ships are in port, another berth may be assigned. Ship pier/terminal assignments are posted at the entrance of the port and will direct you to the appropriate location.

Luggage Handling

Prior to arriving at the pier, please ensure that all Princess luggage tags are attached (additional Princess luggage tags can be obtained at the pier). This is in addition to your personal identification tag.

Curbside Porters are available at the pier to take baggage to the vessel for delivery by shipboard personnel to your stateroom. It is customary to tip Porter for this service. Please be advised that curbside porters are not employees of Princess Cruises. You are responsible for your belongings at all times. For security reasons, we remind you to keep your hand luggage, including laptops, cameras, any medications, all travel documentation (passports, visas, etc.) and other valuables, in your possession at all times.
